

English Grammar Classroom Pack

The English Grammar Classroom pack offers three products to help teachers teach English grammar at Key Stages 2-5.

Category

Publications/English Grammar Resources

One set of posters, one set of flashcards and 35 knowledge organisers

The English Grammar Classroom pack offers **three products together** to help teachers teach English grammar at Key Stages 2-5:

Our fully laminated foldable English Grammar Knowledge Organisers (A4 size) offer teachers and pupils in primary and secondary schools the basics of English grammar in one place.

Our set of six laminated Grammar Wall Posters (B2 size).

Our laminated double-sided Grammar Flashcards comprise of a set of 28 cards (A6 size) on a wide range of grammar topics which can be used as teaching or revision aids.

Topics covered include: noun and noun phrase; pronoun; determiner; adjective and adjective phrase; adverb and adverb phrase; verb; conjunction; preposition and preposition phrase; subject; object; adverbial; sentence and clause; statement; question; command; exclamation; suffix; prefix; synonym and antonym; present tense and past tense; perfect; progressive; auxiliary verb; modal verb; active and passive; relative clause; subordinate clause; subjunctive; form and function.

This product is designed to be used together with the Englicious website (www.englishicous.org).

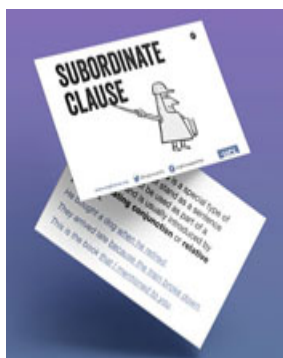

Free postage and packaging in the UK. For overseas orders, prices will be based on this price plus postage and packaging to your location.
