

English Grammar Knowledge Organiser

This fully laminated A4-foldable English Grammar Knowledge Organiser offers teachers and pupils in primary and secondary schools the basics of English grammar in one place.

The basics of English grammar, all in one place.

This fully laminated A4-foldable English Grammar Knowledge Organiser offers teachers and pupils in primary and secondary schools the basics of English grammar in one place. It can be used together with the *Englicious* website (www.english.org).

Topics covered include: noun and noun phrase; pronoun; determiner; adjective and adjective phrase; adverb and adverb phrase; verb; conjunction; preposition and preposition phrase; subject; object; adverbial; sentence and clause; statement; question; command; exclamation; suffix; prefix; synonym and antonym; present tense and past tense; perfect; progressive; auxiliary verb; modal verb; active and passive; relative clause; subordinate clause; subjunctive; form and function.

This Knowledge Organiser covers word classes, phrases, clauses and functions, and provides clear definitions and helpful examples. It is fully in line with the National Curriculum and was written by Bas Aarts and Ian Cushing, experts in linguistics from UCL's English Department.

Free postage and packaging in the UK. For overseas orders, prices will be based on this price plus postage and packaging to your location.
